The City shall require reasonable assurances of security for Subrecipient's performance and repayment pursuant to 24 CFR 570.505, which shall be a City Deed of Trust for such Property, the form of which is attached to this Agreement as Exhibit "B" and which SUBRECIPIENT shall execute as part of the Agreement ("Deed of Trust"). Such Deed of Trust shall serve as a collateral interest in the property being financed with CDBG Program funds. If the SUBRECIPIENT ceases to meet a national objective in accordance with 24 CFR 570.208, or through foreclosure, transfer in lieu of foreclosure, or other circumstances, SUBRECIPIENT does not maintain vested ownership or legal possession of the Property, or if the provisions of the Agreement are not complied with, SUBRECIPIENT will, upon the request of the City, repay to the City, without interest, the required amount of CDBG Funds that SUBRECIPIENT received from the City hereunder, said amount being equal to forty-four percent (44%) of the fair market value of the Property at such time of repayment, subject to the requirements in the CDBG regulations, specifically, 24 CFR 570.505(b). The City Deed of Trust shall remain in effect until the period of National Objective compliance expires on June 6, 2017.

City acknowledges and agrees that the City Deed of Trust and all rights of City thereunder are and will be subject and subordinate to a first lien deed of trust created by SUBRECIPIENT to provide partial purchase money financing (the "Senior Loan") for SUBRECIPIENT'S acquisition of the Property which will be recorded in the Official Records of Clark County, Nevada ("First Lien Deed of Trust") and to all rights and remedies of the Beneficiary and the Trustee under the

First Lien Deed of Trust and its successors and assigns, including, without limitation, any purchaser at a trustee's sale under the First Lien Deed of Trust and the heirs, personal representatives, successors and assigns of such purchaser, shall not be bound by or obligated to perform any of the obligations of the Trustor under the City Deed of Trust. Except for refinancing to reduce interest, the City Deed of Trust will not be subject or subordinate to any replacement of the First Lien Deed of Trust, occurring as a result of any prepayment, refinancing, sale or other transaction where Subrecipient will receive cash equity from the transaction.

The SUBRECIPIENT and any person with an interest in the Property agree to execute and submit a Request for Notice, Attachment II to the Agreement, in order that a copy of any Notice of Default or any Notice of Sale under the City Deed of Trust recorded in which the City is named as Trustee and Beneficiary be mailed.

The City will take reasonable steps to accommodate the Beneficiary of the First Lien Deed of Trust and/or its successors or assigns (the "Senior Lender") in connection with these obligations, including, but not limited to, providing additional documents to create, to confirm, to continue or to enforce its collateral for the Senior Loan secured by the First Lien Deed of Trust, subject however to approval of the new additional document by City Council, which approval shall not be unreasonably withheld or delayed; and, Subrecipient may refinance or recast the Senior Loan from time to time in its sole and absolute discretion to obtain a lower interest rate. These provisions apply with full force and effect to any successor, assignee, or replacement lender(s). The City agrees to subordinate its lien position to a refinance of the First Lien Deed of Trust, provided that Subrecipient does not cash out equity from the refinance lender.

F. UNEXPENDED FUNDS

In the event that CITY staff anticipates the total amount of funds allocated for this Agreement will not be expended in the time and manner prescribed in this Agreement, the CITY reserves the right to such unexpended portion for other Projects/programs operating under the CITY'S CDBG Program. - 4) Pursuant to 24 CFR Part 570.503, the SUBRECIPIENT must transfer upon expiration of the term of this Agreement any CDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds provided pursuant to this Agreement. In addition, any real property as described above either acquired or improved in whole or in part, in excess of \$25,000, shall be used to meet one of the national objectives pursuant to Part 570.208 until June 6, 2017. If not used as such, SUBRECIPIENT must dispose of such real property in a manner that results in the reimbursement of CDBG funds for the amount of the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of or improvement to the property. This reversion of assets will not be required after June 6, 2017.

RE: Project: YOUTH WITH A MISSION
 Represents year 2007

HUD has created new race categories. In addition, HUD requires that the Hispanic ethnicity be counted either for every race sub category as applicable or as simply Hispanic.

*Hispanic must be counted for each category as appropriate and totaled in column C. Example: White column may have 25 clients, 4 of which are also Hispanic. The White column would have 25 and the Hispanic column would have 4, the total clients would still be 25, do not add the two columns together. There may be other categories that also have Hispanic clients. Therefore, column (C) would have the total Hispanic count for all mixed categories and a final total for mixed clients at the bottom of the column. In addition, the number served for all categories should total, i.e., female and male clients should equal the total number; the numbers in the income columns should also equal the total number. Note: Female Head of Household would not fall under this requirement.
